10 ways to get more out of Lent

1. Give a special Lenten setting and flavour to your morning and night prayers.
2. Attend Holy Mass and receive Holy Communion each day of Lent if possible.
3. Enter upon each day's work in the same spirit of obedience to God with which Christ entered upon His passion.
4. Make every meal you take during Lent a reminder of the fast and abstinence by which the Church asks and commands you to share in the suffering of Christ for your sins.
5. Set aside each day some time for making the way of the Cross or for meditating upon the Passion of Our Lord.

6. Be especially prepared during Lent, to accept and use every temptation that assails you as an occasion for declaring yourself on the side of Christ and dedicated to His love forever.
7. Lessen the influence of worldliness and secularism upon your soul by turning away, at least for certain periods the voice of its spokesmen the newspapers, magazines, radio and television.
8. Manifest your realization that as a Catholic, you belong to the mystical body of Christ and are therefore united in a bond of life and love with other Catholics by attending as many Lenten devotions as possible.
9. Resolve that during the forty days of Lent, you will learn something about your Catholic religion that you did not know before, by regular spiritual reading and study.
10. Make a point of practising some special form of charity towards others in need during Lent.

Additionally, some of the mums may already be privy to this site:

<https://catholicsprouts.com/> Nancy and her family are based in the USA. She has a podcast for children and they are short and impactful. She also has courses for families to do and they don't cost too much. She has an online store (postage is expensive) but her books to help children of all ages with devotion to the Holy Rosary, Adoration and Stations of the Cross are clever.

Summer/Spring Attire: During the warmer months it is all too easy to let down our guard on wearing modest clothing. Please be diligent in assuring that your clothing is fit for being in the presence of Almighty God, and is not an occasion of sin to someone around you. **However, please do not approach fellow parishioners about this issue, if you have a concern please speak to Fr Rowe.**

The Democratic Labour Party (DLP) is the only party to oppose the extremes of radical Socialism and rampant Capitalism since the 1950s. We are a true worker's party and base all our policies on three important questions: Is it good for the family? Is it good for the worker? And is it good for the community? We are currently pursuing members to meet the state requirement of 500 members for registration. If you are not already a member of a political party, you have nothing to lose in supporting the party which is the traditional home of Catholics and men of goodwill. See the website for further details: <https://dlp.org.au/join> For more information contact Jacob Copley jcopley93@gmail.com or 0421 914 541.

6 Masses on Sunday: There will be 6 Masses on Sundays at 7:30am, 8:45am, 10:00am (Sung), 11:30am, 5:00pm and 7:00pm. To avoid overcrowding, you are encouraged to continue attending the previously appointed time to spread numbers throughout the day. The two Sunday evening Masses will continue for the time being and will be revised later to see the possibility of just one evening Mass. If there is a particular evening time you prefer please support this Mass. Feel free to turn up to any Mass but if too many people may need to hear the Mass outside at the entrance with respect to the rules. Please continue if possible, to attend your scheduled Mass.

Sunday Parking at St Anne's Belmont: If possible, can you please park away from the church, even on the street so that the spots closer to the church are reserved for the elderly and families with children and babies. Also, if planning to stay on after Mass for a cuppa please park away from the church so families and the elderly can park closer to the church. Many thanks for your assistance.

Sunday collections: will still be taken up as support is still needed for St Anne's and it's continued running and operation. These will be taken up via the boxes at the entrance marked First and Second Collections. However, if you can make contributions via BSB in the account details in the bulletin – that would be much appreciated also.

Weekday Masses: No need to book, feel free to turn up to any Mass but if too many people may need to hear the Mass outside at the entrance with respect to the rules.

Weekday Live streamed Masses: These are listed in bulletin – all welcome to these Sung Masses but please follow the Mass quietly because of the recording of the Mass. If you have any comments or queries please email or contact through the parish face book site. I will continue to pray for you, your family and friends in the Holy Sacrifice of the Mass and prayers each day.

Mass sheets: please bring your own missal to follow Mass as because of the regulations we are not allowed to put out Mass sheets at present. Mass sheets can be found on the following sites at the bottom of the bulletin which includes other sites useful for following the Mass.

Other useful websites?: If you know of any other useful websites for the Latin Mass or Catechism or the Catholic faith in general, please let Fr Rowe know for reference purposes and it would be helpful for other parishioners.
